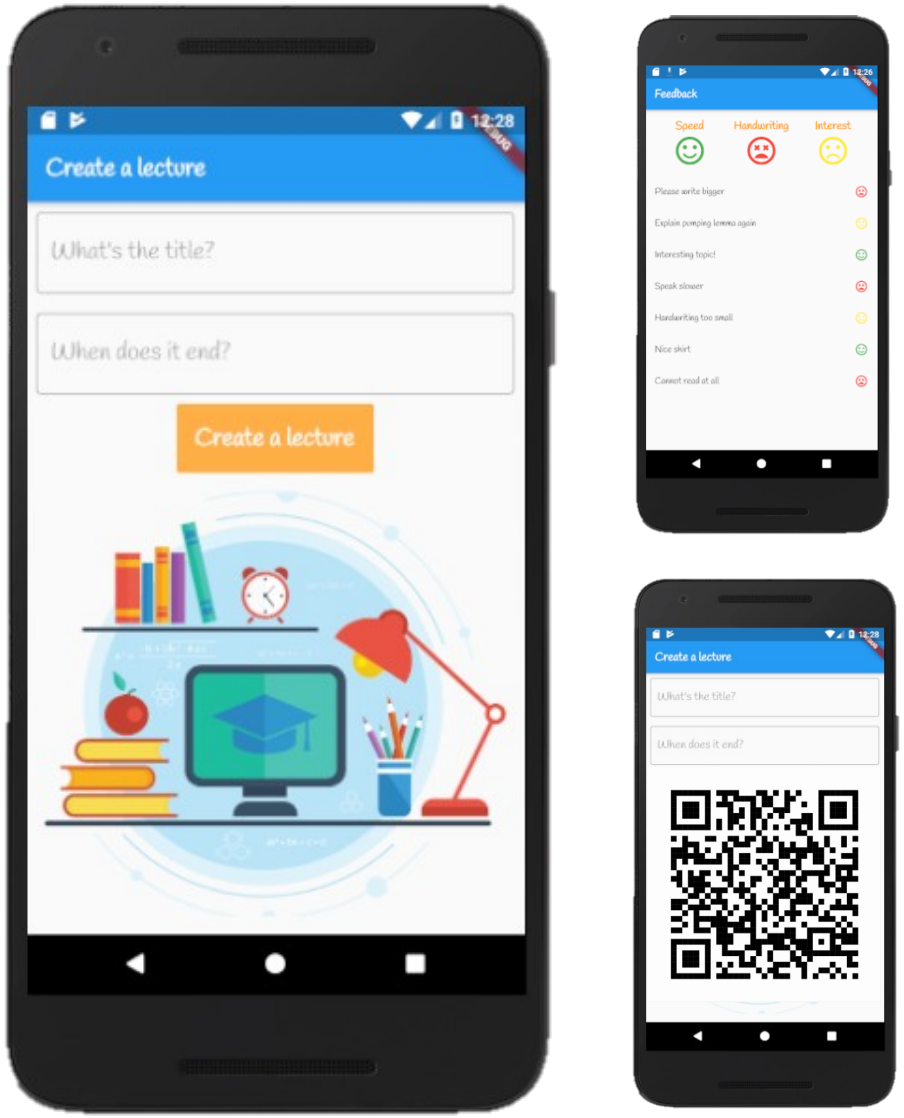
- LESSONS



INTERACTIVE

- **LECTURES**
- TALKS
- MEETINGS
- PRESENTATIONS
- PITCHES
- LESSONS

Are you a professor?

Make your lectures interactive and get feedback from the students!

A student?

Influence your lecture experience!

ADAPTIVE

Feedback validation

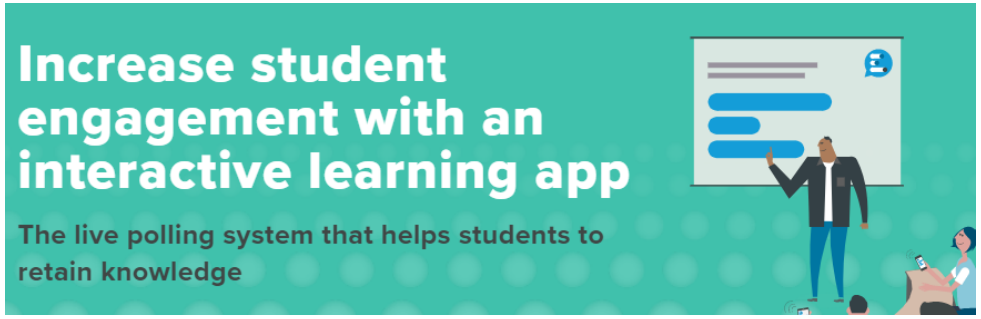
Monitor feedback & rating frequency to prevent clients from spamming (only every 5 minutes)

Battery awareness

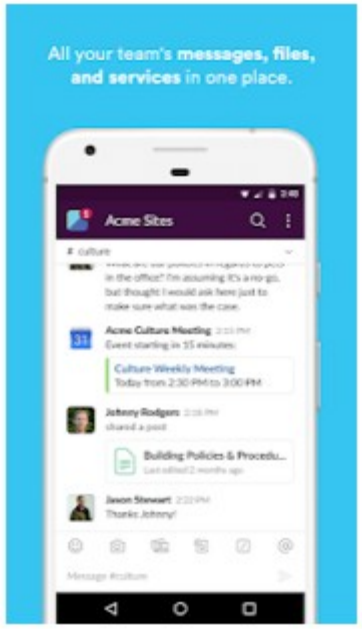
<15% : the student is reminded to rate the lecture via toast

COMPETITION

vevox

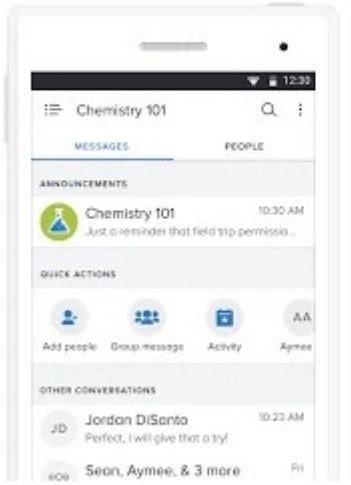


Slack



Remind: School Communication

Real-time messaging with your class, group, or a single person.



Send text messages straight to any phone.
